The Bristol Township School District Foundation for Educational Excellence is a non-profit (501c3) organization that has operated for more than 25 years. In that time, the Foundation has awarded over \$300,000 in funding towards hundreds of projects designed and implemented by BTSD staff members. These projects have undoubtedly impacted and enriched the lives of thousands of Bristol Township students and offered them many unique opportunities and learning experiences outside of the standard curriculum.

The Foundation has several sources of funding including corporate and private donations and the Annual Tiger Classic Race and Fun Run. However, BTSD employee payroll contributions account for nearly two-thirds of our annual revenue. In addition, the Foundation is run by a group of volunteers consisting of both current and retired BTSD staff members. This allows the organization to operate with virtually no overhead costs or expenses. This factor ensures that nearly every dollar that is brought in goes directly towards the funding of staff members' projects and ultimately benefit our students.
