

Bristol Township School District

Child Find Notice

Special Education

The Individuals with Disabilities Education Act (IDEA) mandates school districts to provide outreach to parents to inform them of the full spectrum of instructional programs and related services offered to students with disabilities.

If your child is not currently receiving special education services and you believe that he/she has developmental, learning, and/or behavioral difficulties, please contact the principal or counselor at your neighborhood school to request an evaluation.

All information by evaluation is strictly confidential. Provisions will be made for parents needing communication in their native language. If you are in need of further assistance, contact the Special Education Office at the School District Administration Office Building.

Gifted Education

The School District is required to identify students of school age who are through to be mentally gifted. If you believe your child is talented and may be eligible for gifted education, please contact the principal or counselor at your neighborhood school to request an evaluation.

All information by evaluation is strictly confidential. Provisions will be made for parents needing communication in their native language. If you are in need of further assistance, contact the Special Education Office at the School District Administration Building.
